August 2015

Dear Kansas Educator:

It is my pleasure to announce that the Kansas State Department of Education is now accepting nominations for the 2016 Kansas Horizon Award Program. This award is intended to recognize exemplary first-year teachers in the elementary and secondary classrooms of the state who perform in a way that distinguishes them as outstanding.

Each school district may nominate **one elementary and one secondary classroom teacher** for the 2016 Kansas Horizon Award Program. This provides each district the opportunity to encourage, recognize, and reward new members of the profession. Building principals are encouraged to forward the names of possible nominees to the district superintendent, who will then select the final two nominees for the district.

I encourage you to give careful thought to nominating two of your best new teachers for this distinction. Please submit **six sets – the original and five copies** – of the completed nomination packet. All nominations for the 2016 Kansas Horizon Award Program must be **postmarked by October 9, 2015, and mailed** to the following address.
