

Diploma+ FA Mondays

2021-2022

Teachers are expected to deliver Diploma+ lessons on one Monday a month during FA time. Attached is a calendar that shows which Mondays is for Diploma+ Career Exploration(Blue) and which Mondays are for SEL Second Steps (Yellow).

On the Diploma+ Career Exploration FA Mondays teachers are expected to teach their students about careers by either using:

- a recorded Connector session about careers,
- a live Connection session about careers or
- have a career quest speaker.

I recommend that if teachers have not requested a Connector session for FA Diploma+ day, Oct. 4th, teachers should select a recorded Connector session about a career. Teachers are welcome to request a live Connector session for the next FA Diploma+ day on Nov. 1th. *There is not enough time to request a live Connector session for Oct. 4.*

Below are directions for selecting a recorded video from the recommended library.

Follow these steps:

- Go to: Prepkc.Nepris.com
- Log in
- In the middle of the Dashboard you will see the GRADES K-2, Grades 3-5.
- Click on the K-2 Playlist below the blue or yellow box.

The screenshot shows the NEPRIS dashboard. At the top, there is a navigation bar with links for DASHBOARD, SESSION, CONNECTIONS, CAREER EXPLORER, and MESSAGES (24). Below this is a search bar with the text "START HERE" and a search prompt: "Search for experts by typing keywords. Ex: Animation, Graphic Design, etc." The main content area is titled "WELCOME TO NEPRIS. CHOOSE FROM BELOW TO GET STARTED" and features three buttons: "Explore LIVE Industry Chats", "Browse the Video Library", and "Access Help Center". Below this is a section titled "PLAYLISTS MADE FOR YOU" with a "Filter by:" dropdown and a "Go" button. The playlists are displayed as cards for "GRADES K-2", "GRADES 3-5", "GRADES 6-8", and "GRADES 9-12". Each card includes a thumbnail image and a brief description of the playlist content. A "Need Help? Let's chat!" button is visible in the bottom right corner of the dashboard.

- There will be between 10-15 recommended videos to choose from.
- Look through the videos and select the one you think would work well.
- Watch the video to be certain this is the video you would like to show.

(All videos are not created equal)

- Bookmark the video by going the three dots in the upper right corner by the word SHARE and selecting bookmark.

The image shows a screenshot of the 'the connector' website. At the top, there is a navigation bar with links for DASHBOARD, SESSION, CONNECTIONS, CAREER EXPLORER, and MESSAGES (24). Below this is a 'K-2 Playlist' section featuring five video thumbnails. The first thumbnail is titled 'Great White Sharks'. Below the thumbnails is a large video player showing a woman in a kitchen with a play button overlay. To the right of the video player is a presenter profile for Bridget Fino, Executive Chef and Owner at Bell's Catering. The profile includes alternative titles: Chief Executive Officer (CEO), Chief Financial Officer (CFO), and a description of her role: 'Determine and formulate policies and provide overall direction of companies or private and public sector organizations within guidelines'.

- Watch the video again and write down the times of the video you want to show your students.

(Some videos will have a beginning &/or ending you are not interested in or don't have time for)

- On the day before you would like to show the video, go to your Connector dashboard.
- Click on My Sessions at the top of the page and select My Bookmarks.
- You will find the video you want to show.
- Click on the video and it will open in another screen.
- Push the play button and away you go.....

We did not train teachers to use the recorded video library last year because it did not count toward our strategic goal.
