

Fractions Clinic!

Please join us for a fraction clinic for 2nd-
4th grade teachers!

Learning Goal: Describe the fractional
part/whole relationship using tools and
representations

January 12, 2016 in Room 133
at the Central Office Training Center
from 4:30-6:30. Please RSVP using the
following link:

<http://tinyurl.com/fractions1516>

All participation is considered voluntary.
