

Fractions Clinic!

Please join us for a fraction clinic for 4th-
6th grade teachers!

Learning Goal: Describe the relationship
between fractions, decimals, and
percents in regard to comparing and
ordering

September 24, 2015 in Room 132
at the Central Office Training Center
from 4:30-6:30. Please RSVP using the
following link:

<http://tinurl.com/fractions1516>

All participation is considered voluntary.
