

Accessing Infinite Campus Portal – Guide for Parents

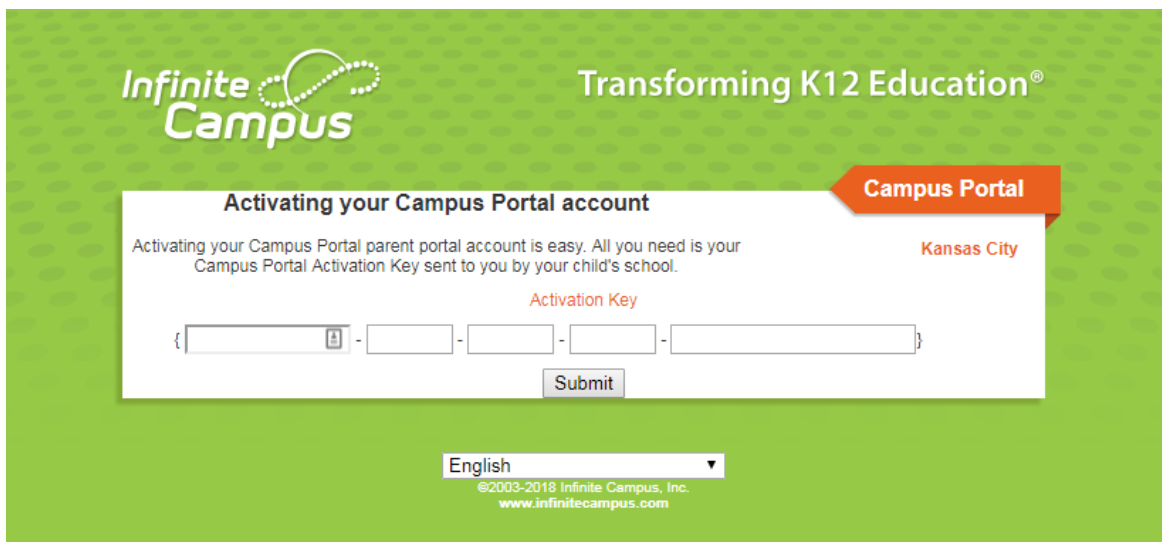

1. Go to the district website at www.kckps.org and select the link for the Infinite Campus Parent Portal on the right hand side of the page.

2. If you know your username and password, please enter and click 'Sign In' and go to step 5. If you do not have an account yet, please contact your school for your Campus Portal Activation Key; you will need this information to create your account. When you get the Key, click on the 'click here' link.

3. Please enter the Activation Key **EXACTLY** as it is provided by the school (upper and lower case letters must be entered exactly how they are listed) and click 'Submit'. Please note that the Activation Key is a lengthy combination of letters and numbers and may be a challenge to enter correctly the first time.
