YOURSELF**

**STEP 2:
MOBILIZE
OTHERS**

**STEP 3:
CREATE
CHANGE**

STEP 1:

Your Leadership Edge

2 DAYS

Your Leadership Edge is the foundational training that introduces core concepts in KLC's powerful leadership framework. Discover new ways to communicate, solve problems and lead more effectively back in your context. Sharpen interpersonal skills, self-awareness and confidence with others. Your Leadership Edge helps you find, test and push to the edge of your comfort zone. [View Your Leadership Edge dates here.](#)

STEP 2:

Lead for Change

6 WEEKLY SESSIONS

Continue your learning with this advanced and immersive training. Lead for Change prepares you to mobilize others to deal with tough problems and seize opportunities in any context. Deepen your skills and confidence to engage others to create or manage change. Energize others to deal with problems more effectively for lasting results. [View Lead for Change dates here.](#)

STEP 3:

Equip to Lead

2 DAYS

Make a larger impact in organizational culture. Gain tools and develop a plan to embed powerful leadership concepts in your organization so that others exercise leadership alongside you. In the final step of the path, you'll learn to communicate, facilitate and incorporate core leadership ideas into your context so real change can happen. Build a culture of leadership where you live, work or volunteer. [View Equip to Lead dates here.](#)
