

# Parent/Guardian Signup for Canvas

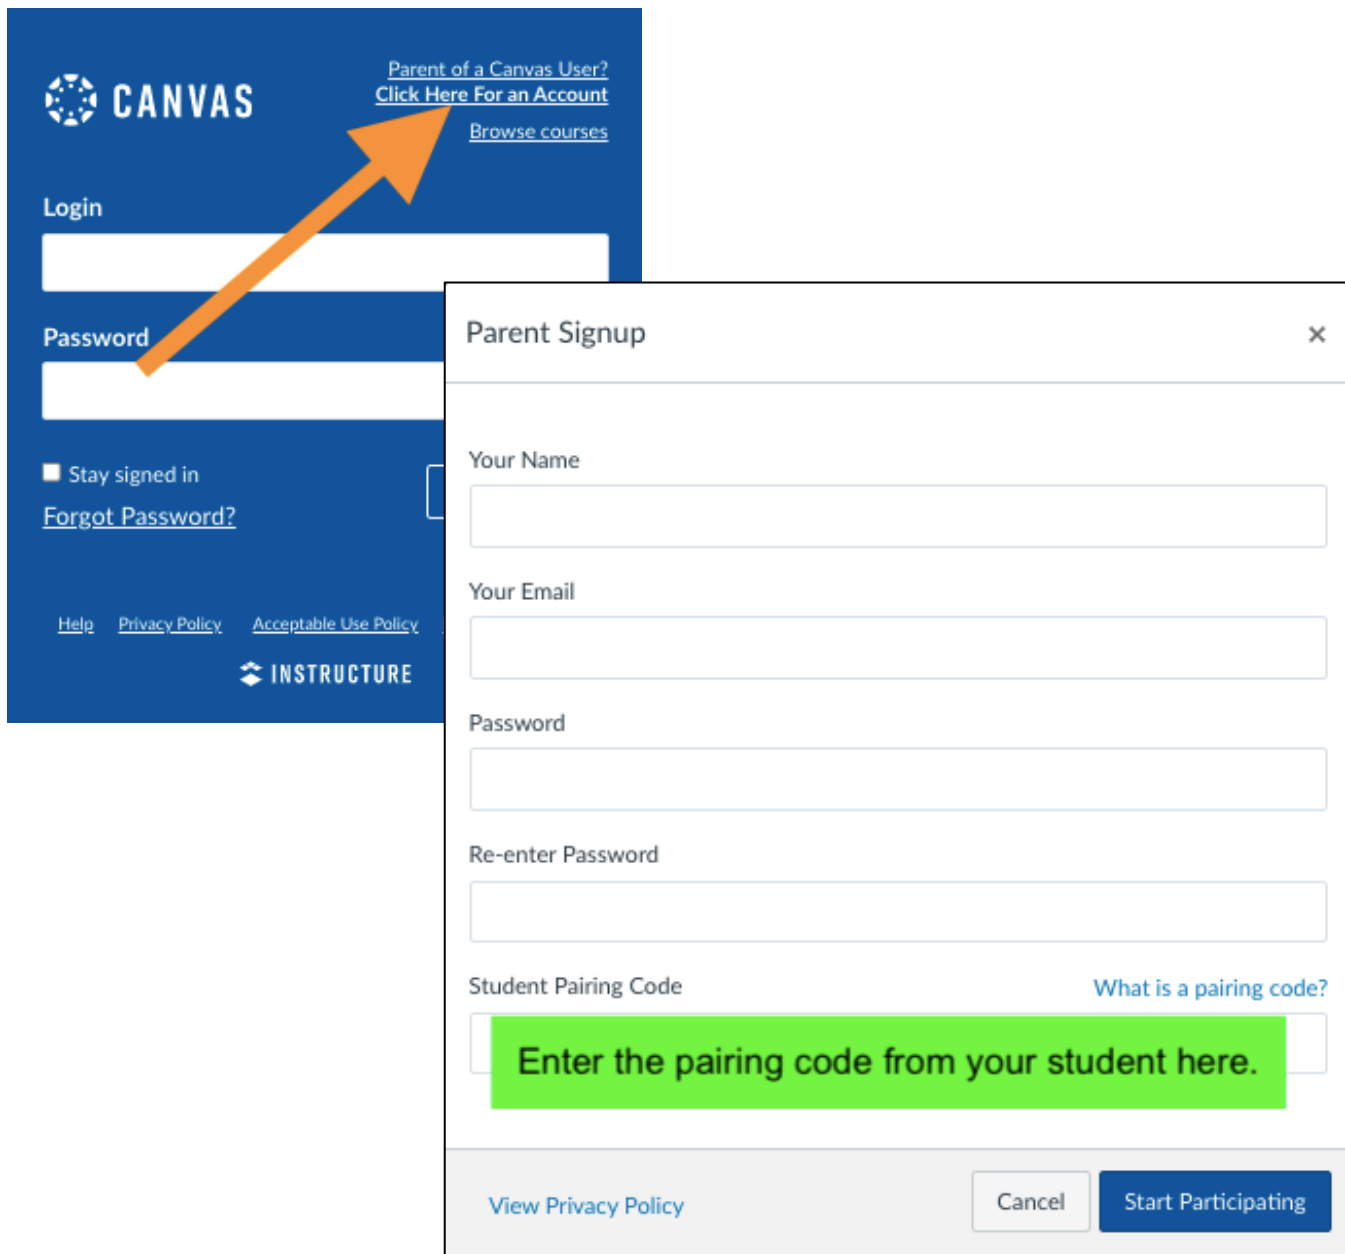

**\*\*parents/guardians are considered observers in Canvas\*\***

Step 1: Get pairing code from student's Canvas Account.

The image shows a sequence of steps to access the pairing code in Canvas. It starts with the main user interface where the 'Account' icon is highlighted with an orange arrow. Below the account icon is a 'Logout' button. A blue sidebar on the left contains navigation options: Dashboard, Courses, Groups, Calendar, and a notification icon with '14'. The main content area lists 'Notifications', 'Files', 'Settings', 'ePortfolios', 'QR for Mobile Login', and 'Global Announcements'. An orange arrow points from 'Settings' to a secondary window showing a list of actions: 'Edit Settings', 'Download Submissions', 'Pair with Observer', and 'Download Course Content'. A final orange arrow points from 'Pair with Observer' to a modal dialog box titled 'Pair with Observer'. The dialog contains the text: 'Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one use.' Below this text is a green button that says 'Copy the code in this box.' and an 'OK' button at the bottom right.

Step 2: Parent/Guardian use pairing code to sign up for Canvas.
