“I’m Thinking Safety”

The staff of the KCKPS Maintenance Shop is kicking-off its new **Annual Safety Campaign** from May 15 to July 31, 2018. This campaign is designed to bring safety awareness this summer during the school district’s various bond and capital construction projects.

We challenge everyone to “**Think Safety**” and to help address any potential unsafe acts.

We all have the power to prevent unsafe acts.

EVENTS

May 24: Custodial Retirement Appreciation, General Safety and Proper Lifting class for all custodian staff from 1 to 2 p.m.

June 15: Summer/Heat Safety (4th of July Safety) from 1 to 2 p.m.

July 27: Construction Progress and Safety Review from 1 to 2:30 p.m.

(All events held in Rooms 131-133 of the Central Office.)

Let’s have a Great, SAFE Summer!
